LOSS OF TIME PLAN CHANGE

EFFECTIVE JANUARY 15, 2008

Effective January 15, 2008, Central Laborers' Welfare Fund may only provide a maximum 13 weeks of Loss of Time benefit payments within a 12 month time frame. Loss of time will only be considered for periods which you are unable to work because of a non-occupational accidental bodily Injury or a non-occupational Illness. Central Laborers' Welfare Fund will no longer recognize successive periods wherein more than 13 weeks would be made payable in 12 months.

All normal requirements and exclusions used to determine a length of disability and previously written in the Loss of Time Benefit policy will remain in effect and are unaffected by the current changes.

Should you have any questions regarding your current benefit, eligibility for additional Loss of Time Benefits or this letter, please contact the Fund Office at 1-800-252-6571, ext 142.
