SPECIALTY DRUG CO-PAYMENT ADJUSTMENT
EFFECTIVE APRIL 1, 2007

The Central Laborers' Welfare Fund Board of Trustees is pleased to inform you that, effective with purchases made on or after April 1, 2007, specialty drug co-payments made to Curascripts, Inc. will be reduced to 20% of the billed charges up to a maximum co-payment of $100.00 per prescriptions. In most cases, this is a substantial decrease in the monthly payments that were being made for specialty medication purchases.

The Trustees acknowledge the importance of adhering to a physician's medical recommendations. They also realize that the out of pocket expenses associated with specialty medication purchases imposes a financial hardship on individuals and their families. It is hoped that individuals requiring the use of specialty medications, as a part of their treatment plan, will agree to take or continue taking prescribed drugs. It is the Trustee's hope that the reduction in the co-payment associated with these treatments will make the decision a little easier.

If there are any questions regarding prescribed medications, individuals are encouraged to contact their physician or talked to one of the trained staff at Curascripts, Inc. – 1-888-773-7376.

If there are any questions regarding the Central Laborers' Welfare Fund Plan of benefits, please contact the Fund Office at 1-800-252-6571.
