

The Family Assistance Program (FAP) is available for all eligible Plan participants and dependents. This program was implemented to provide easy access to community based resources and / or network providers who can help you and your family members deal with a variety of problems. A few of the many issues that the FAP counselor can help with are:

- Household Finances
- Positive drug test results
- Job site conflicts
- Separation / Divorce
- Problem Drinking
- Prescription Drug Misuse
- A serious family illness
- Legal Issues
- Illegal drug use or dependency
- Loss of loved one
- Aging Parents
- Family / parent-child conflicts

In particular, for more serious problems like mental health disorders or substance abuse, the FAP can help you or your eligible dependent(s) access in-network or convenient care programs in the event this type of treatment is necessary.

Eligible plan participants can call the FAP during regular business hours to request resource information.

Please refer to your Summary Plan Description for a list of mental health and substance abuse benefits covered by your health plan.

If you need assistance that cannot wait or you are experiencing an urgent or emergency situation, please call 911 or seek help at your nearest Emergency Room.

If you have any questions or need assistance locating a provider in your area or network, please contact the Fund Office at 1-800-252-6571, Option 6 and, then Option 2.
