Cancellation of Optional Pre-Retirement Surviving Spouse Pension

My spouse and I hereby cancel our previous election of the Central Laborers' Pension Fund Optional Pre-Retirement Surviving Spouse Pension. Such cancellation shall be effective the first day of the calendar month following completion and return of this form to the Central Laborers' Pension Fund office.

Please note, cancellation of the Optional Pre-Retirement Surviving Spouse Pension still requires the Central Laborers' Pension Fund to calculate and reduce the participant's pension benefit in accordance with the applicable time period and percentage (75% or 100% spousal option) of the Optional Pre-Retirement Surviving Spouse Pension coverage which is being cancelled. You may elect a new 75% or 100% Optional Pre-Retirement Surviving Spouse Pension at any time in the future, which would become effective the first day of the month following a period of thirty (30) days after the Fund office receives your (new) completed and notarized Election of Optional Pre-Retirement Surviving Spouse Pension form, provided you have a qualified spouse.

By signing this form, the participant and spouse hereby consent to this cancellation of coverage, resulting in payment of the Fund's 50% Pre-Retirement Surviving Spouse Pension if the participant predeceases the spouse before retiring with a pension from the Central Laborers' Pension Fund. The participant and spouse further acknowledge that future pension payments will be reduced in accordance with the period of increased spousal pension coverage.
