### NOTICE TO PARTICIPATING EMPLOYERS REGARDING REQUIRED FINANCIAL DISCLOSURES

**To:** Participating Employers in the Central Laborers' Pension Fund

**From:** Kenton W. Day, CPA, Plan Administrator

**Date:** November 14, 2025

**Re:** Information for Auditors Regarding Financial Statement Disclosures

---

In September 2011, the Financial Accounting Standards Board issued an accounting standard for disclosure of employer obligations to multiemployer pension plans, such as the plan maintained by the Central Laborers' Pension Fund (the "Fund" or the "Plan"). This standard requires employers participating in multiemployer pension plans to disclose additional information regarding employer commitments and risk involved with participation in multiemployer pension and other postretirement benefit plans. To assist your company in fulfilling its disclosure obligations, the Plan is providing participating employers with the following information needed for these disclosures. Each participating employer should maintain this notice in their records as well as send a copy of this notice to its auditors in order to complete its financial statement disclosure requirements.

The total pension and pension supplemental contributions of all the Plan's participating employers for the Plan year ended December 31, 2024, was \$117,115,183. **If you believe that your company's pension and supplemental pension contributions are at least 5% of the total contributions for your company's fiscal period (i.e. \$5,855,759 or more), please contact Anne Mogg (217-479-3600 or [amogg@central-laborers.com](mailto:amogg@central-laborers.com)) at the Fund office for additional information.**
